PAY A SMILE FORWARD June 3 - December

Before you open wide, ask your dentist to pay a smile forward and volunteer to help the underserved in that count on the Ben Massell Dental Clinic for dental care. Founded in 1911, the Ben Massell Dental Clinic has a 90-year legacy of dental care for Atlanta's neediest patients, the indigent and uninsured. As that population grows, and donations decrease, the clinic is launching the "Pay a Smile Forward" campaign encouraging patients to ask their dentist to volunteer half a day a month at the clinic. Patients are also asked to add one dollar to their bill toward the campaign. Family 2 Family coupons are available explaining the campaign at our Underwriter locations.
